

Our W C Eagles Hockey Family,

We want to sincerely thank you all for being part of our field hockey family. Each of you has played such a vital role in enabling us to achieve the success we have and we value the relationships and experiences we have all shared together and hope to share in the coming years. As you know, our mission is provide elite field hockey training and to provide each young lady with critical life skills to use in college, the work force and life. We want to continue that mission in earnest.

As valued members of our field hockey family, Richard and I are excited to announce that WC Eagles is planning on replacing our existing turf field in 2022. As you know, WC Eagles is the premier field hockey club in the United States. A critical component of our past, current and future excellence is our unique outdoor turf and indoor court facilities. Maintaining our elite facilities is critical to our being able to provide your daughters the best coaching and training possible.

While certainly still playable, the turf is past its typical useful life and needs to be upgraded. While we are going out to seek corporate and other sponsors, and the club has been saving for a few years knowing this capital investment would need to be made, we really need your assistance. We need to raise \$800,000 to enable us to replace our existing turf. Any donation will be welcome and be directly used for this capital project. Additionally, to the extent anyone would be interested in naming rights for the turf or field itself, please contact us to discuss in greater detail.

WC Eagles is a registered 501(c)(3) non-profit organization. As such, 100% of your donation is tax deductible and every dollar donated will be directly used to help fund this needed project. While we understand that every family faces their own unique financial situation and that COVID has created some difficult times, a donation in any amount would be greatly appreciated. No donation is too small. Donations can be made in the following ways:

- Make a donation online at <https://wceagleshockey.com/forms/donation-page-wc-eagles-new-turf-field-project/>;
- Call us at (484) 995-4163:
- Make a donation by check to: W C Field Hockey Club, Inc., Capital Turf Project Fund
Mail to W C Eagles Capital Turf Project Fund, 88 Wells Road, Spring City, PA 19475

We will timely provide you a receipt for your donation to for your records and we will keep you posted on our progress. We are excited about this project and know it will be of tremendous benefit to your daughters. We hope you will join us in this capital project and help us continue in our mission!

Stephen and Jamie Rosati's daughters are alumni and the Rosati family is participating in this capital project. In their words:

As parents we do so much to develop our children's talent. For girls and young women, investing in education **and** athletics can give them a strong foundation to build upon.

We believe there is no better place than WC Eagles for girls and young women who love field hockey. At WC Eagles, girls benefit from excellent coaching, a philosophy of hard work and grit, and a call to being the best they can be. To continue this tradition at a world class facility, a new turf is needed supported by donations from WC Eagles' families.

We are donating because we benefitted from joining WC Eagles in 2005 – the first year the Club formed. Both our daughters played for WC Eagles and they had gained so much from the training, competition, travel, friendship and of course also learned many life lessons. Now, a Philadelphia lawyer and a New York City private equity analyst, both of our girls look back and appreciate how much the course of their education (played 4 years at Yale; and 4 years at University of Pennsylvania) and their life was positively impacted by their time with the WC Eagles.

As parents we are so happy we found WC Eagles and gave our daughters this opportunity. We met so many wonderful girls and families over the years. And yes, we can say we miss the practices, games, and travel.

Hopefully, you too will donate in honor of your daughters and to pay it forward to the next generation of Eagles.

We sincerely thank you in advance for any donation made and would wish you all a very happy holidays.

Warmest wishes

Jun and Richard
